Leaving Pride Behind Campaign

June 2025

Suggested Questions for Dr. Jennifer Roback Morse

1. What is the Ruth Institute?
2. How did the Ruth Institute become involved in celebrating people who have Left Pride Behind?
3. You provided a couple of charts with a note saying, "These charts changed my life." What in the world do you mean by that?!
4. Are people born gay? What does science say? Does God make people gay? What does the Church and the Bible say?
5. If people are not born gay, what are some of the causes of same sex attraction?
6. You have interviewed a number of men and women who have journeyed away from a gay or lesbian identity. What do they say about the sources of their same sex attraction?
7. You've also interviewed some women who attempted to change the sex of their bodies, and who have since "desisted." What do they say about why they believe they wanted to change their bodies?
8. These very interesting guests of yours have some things to say to the parents and other loved ones about what was helpful to them on their journeys. Tell us about that.
9. If there are so many people who have Left Pride Behind, why don't we ever hear about them?
10. What does the Ruth Institute have to say to those who have Left Pride Behind?
